QUICK INFO

1

Individuals with registered accounts on HPC or Upskill Malaysia may log in with their existing credentials.

2

Registered employers and training providers may log in via their existing eTRiS credentials.

3

Any changes to your login details or profile can only be done directly on the desktop version of eTRiS. Likewise, all applications can only be submitted via our desktop software.

4

Trainers may log in via your registered TDMS credentials.

5

The data shown on the eTRiS Super App dashboard for registered employers and training providers are within a one-day interval. Other features can be viewed and accessed in real-time.

6

Make sure you download the latest version of MyHRDCORP and keep the app regularly updated.

7

Multiple users can log in to MyHRDCORP at the same time using the same eTRiS credentials.
