EDITOR'S NOTE

Welcome to the February edition of our monthly newsletter as we take a closer look at the series of meetings held this month!

The IndSF Unit has engaged with potential collaborators to develop and enhance the following IndSF documents: Agriculture (Non-perennial crops), Healthcare, Financial and Banking, Hospitality, Digital Technology, Apparel and Footwear.

In this edition, we managed to conduct the first meeting with the Sectorial Training Committee (STC), which acts as an advisory and consultative committee to HRD Corp regarding the training needs of the industry. We would like to take this opportunity to express our gratitude to our industry partners and collaborators for their continuous support in addressing the industry's human capital development needs.

INDSF DEVELOPMENT

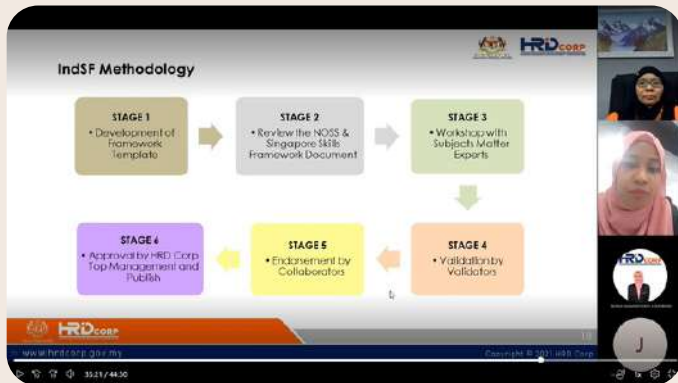

HEALTHCARE

e-LATiH

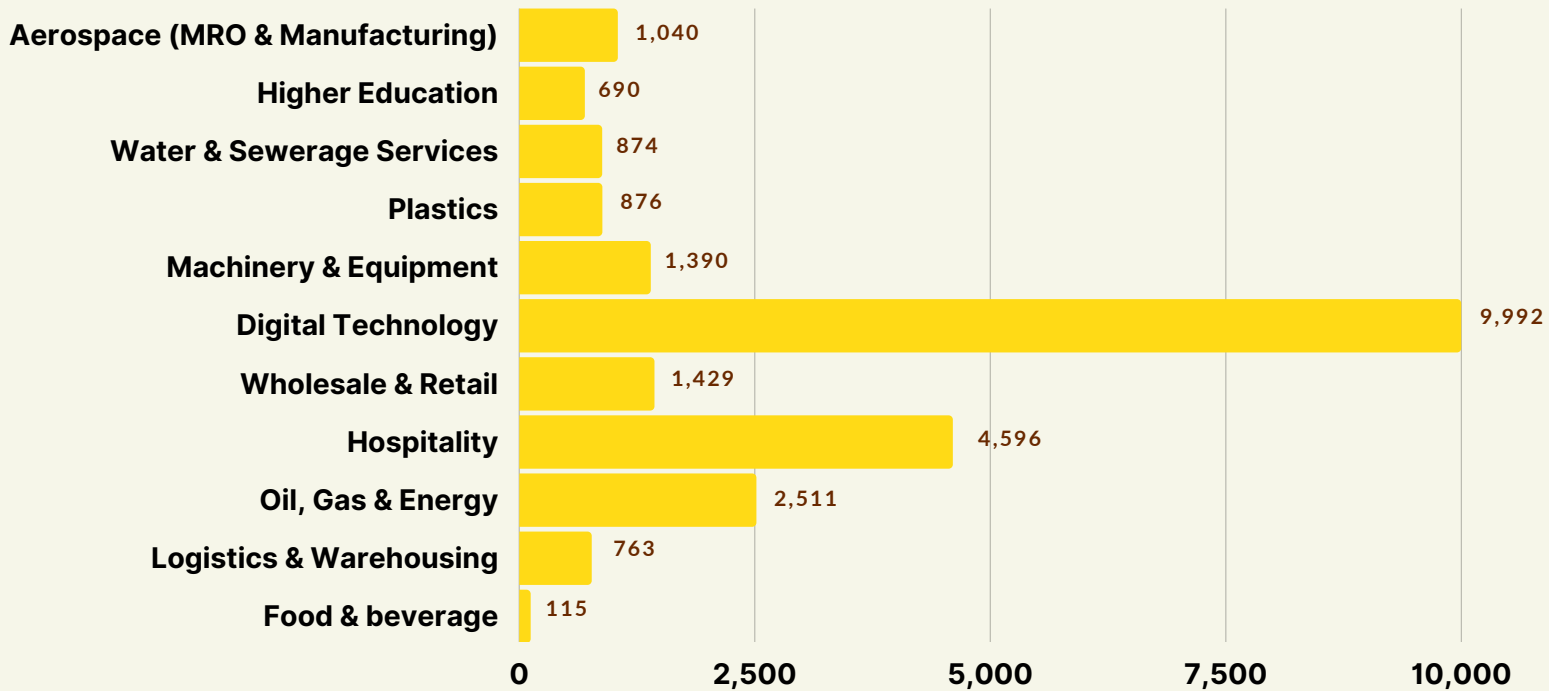

e-LATiH is Malaysia's premier online learning platform developed by HRD Corp. It offers all Malaysians unlimited access to FREE and premium online courses to provide them with the opportunity to develop their skills and knowledge.

On e-LATiH, you can take charge of your own knowledge and skills growth. Start with our free course options and work your way towards some of the world's leading premium content offered by our partners and collaborators. With no upfront fee and the flexibility to decide where, when and how you learn, there is no better time for you to make learning a lifelong pursuit.

Number of Downloads for 12 Published IndSF

Accumulated Number of Downloads Until 28 February 2023

Total IndSF Document Downloads from the HRD Corp Portal as of 28 February 2023:

24,276

Documents pertaining to IndSF are freely available on the HRD Corp website (<https://hrdcorp.gov.my/indsf/>). The IndSF Unit is closely monitoring the number of downloads for IndSF documents from the HRD Corp portal as we progressively work with our STC members to promote the availability of these documents to our industry partners.

There has been a consistent increase in the number of downloads of the IndSF document throughout the year. The IndSF Unit intends to engage with and promote the document to the public in order to raise awareness of the document's significance and relevance to Malaysia's human capital development. In addition, we will continue to collaborate with more industries to create new IndSF documents in the coming years.
