### *HELLO!*

We are excited to present the latest issue of our newsletter, brimming with intriguing insights into our IndSF Unit. In this month's newsletter, we will delve into our approaches for engaging stakeholders within the Sectorial Training Committee and the development of the Industrial Skills Framework.

Widely acknowledged, the Industrial Skills Framework plays a pivotal role in shaping career trajectories and the necessary training to navigate the ever-evolving landscape of the industry.

In alignment with this mission, the IndSF Unit is actively involved in various initiatives to ensure that both these projects effectively contribute to the advancement of human capital. We trust you will find this month's newsletter engaging and informative.

# SECTORIAL TRAINING COMMITTEE

STC Arts, Entertainment & Recreation  
03/23

Date: 25 September

Time: 2.30 pm - 4.30 pm

Strategic input gathering on the necessity to identify skills and training needs for emerging technologies impacting the talent requirement within the arts, entertainment and recreation industry. A progressive compilation of inputs will be gathered to build a comprehensive list.

STC Electrical & Electronics 03/23

Date: 26 September

Time: 10.00 am - 12.00 pm

Members highlighted challenges that the industry faces in terms of securing sufficient funding for training and competency development. They have also listed a number of tech-based critical skills that will be relevant for the industry in line with technological advancements.

STC Oil, Gas & Energy 03/23

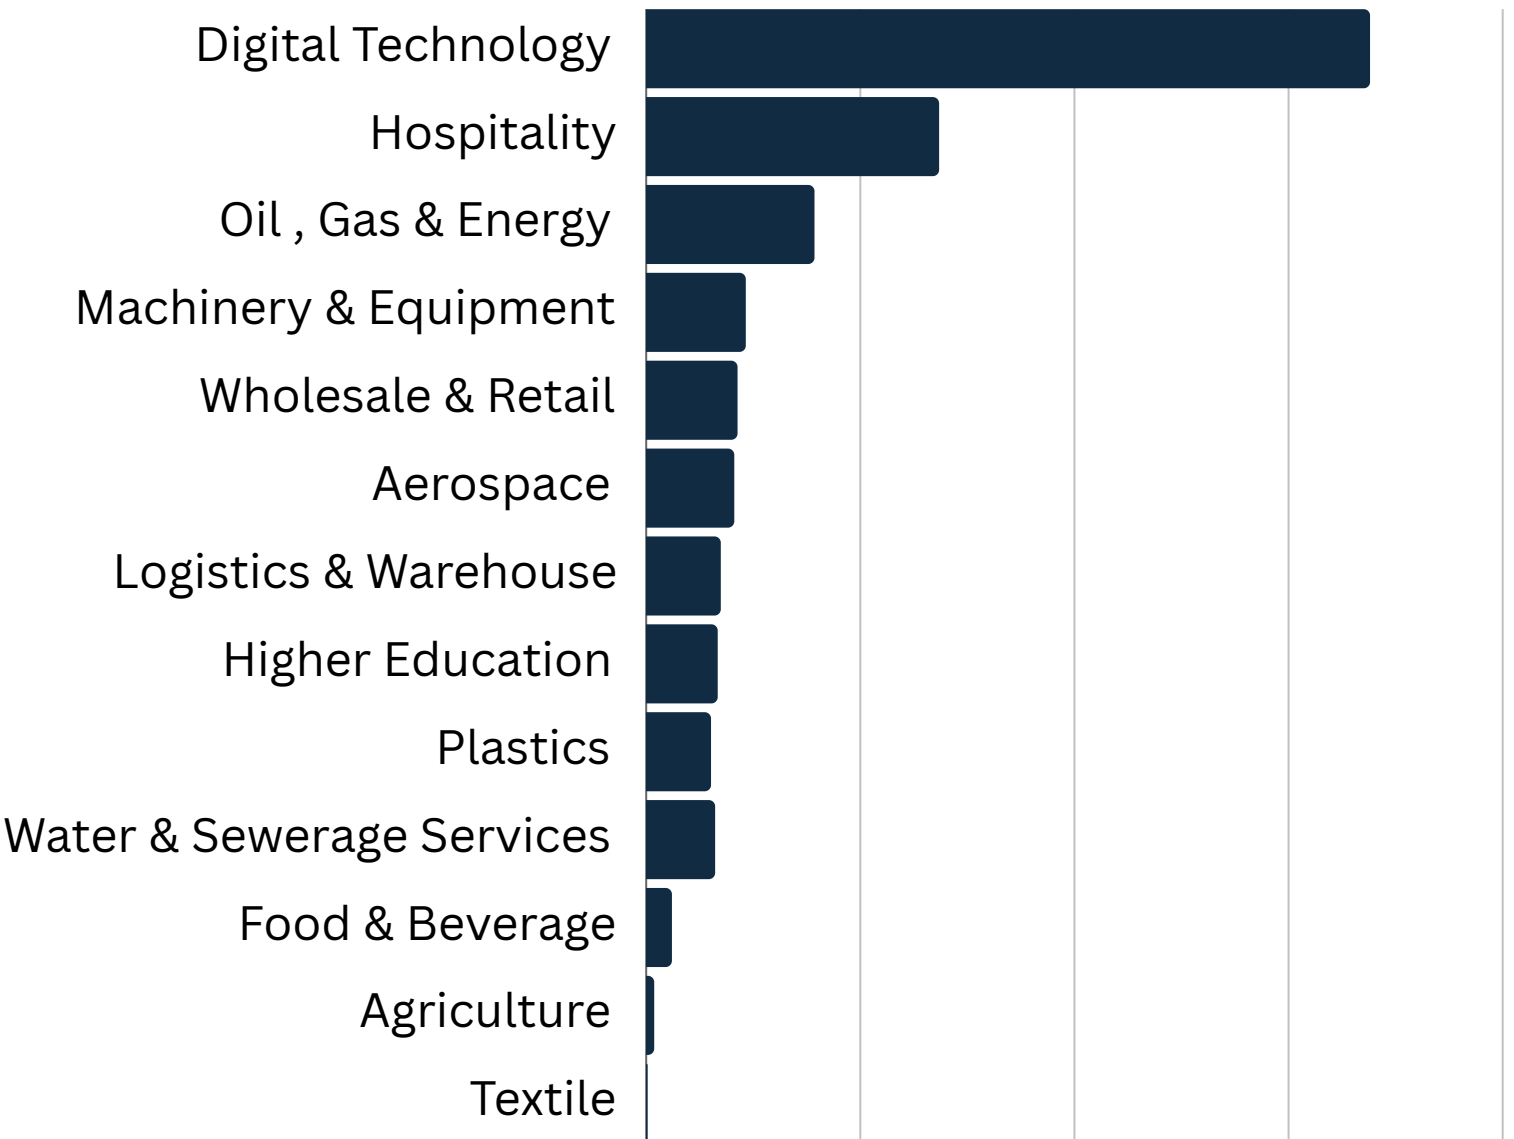

Date: 20 September

Time: 10.00 am - 12.00 pm

In this meeting, the members highlighted the difficulties that the OGE industry is facing when it comes to securing financing for competency development and training. Additionally, they have outlined several technologically-oriented abilities that will be vital for the sector as technology continues to advance.

# INDSF DOWNLOADS

We're excited to provide the latest updates on our efforts to enhance accessibility and awareness of the Industrial Skills Framework (IndSF) document downloads. As we closely monitor the download count of IndSF documents from the HRD Corp portal, we're pleased to share a significant accomplishment: a consistent surge of 607 downloads in September 2023, highlighting the growing recognition of IndSF's value in Malaysia's human capital development landscape. Additionally, we've achieved a significant milestone by accumulating a total of 41,547 downloads in the year 2023 so far. Our proactive engagement with industry players through webinars and workshops underscores our dedication to raising awareness about the pivotal role these documents play. Looking forward, our unwavering commitment to fostering collaboration and embracing innovation propels our roadmap to craft new IndSF documents in collaboration with diverse industries.

# HRD CORP INITIATIVE

e-LATiH is Malaysia's premier online learning platform developed by Human Resource Development Corporation (HRD Corp) to provide Malaysians with the opportunity to develop their skills and knowledge. Malaysians can choose from over 1000 personal and professional development courses of international caliber.

The banner is titled 'SME DEVELOPMENT' in large, bold, orange letters. Below the title, the text 'Calling all SMEs!' is written in a smaller, black font. Underneath, the text 'It's time to future-proof your employees with globally recognised premium courses.' is written in a smaller, black font. Below this text, there are two checkmarks: a red checkmark followed by 'FREE REGISTRATION' and a red checkmark followed by 'FLEXIBLE LEARNING'. At the bottom of the banner, there is a red button with the text 'Visit [hrdcorp.gov.my/smedevelopment](http://hrdcorp.gov.my/smedevelopment) to get started!'. On the right side of the banner, there is a 3D illustration of a smartphone, a spiral notebook, and a pencil. The smartphone screen shows the time '9:30' and the date 'Wednesday'. The notebook is open, and the pencil is lying on top of it.

**MICROSOFT  
COURSES**

We are excited to share news of our partnership during National Training Week 2023. By joining forces, we aim to enhance our collective impact and work towards common goals, particularly in offering valuable learning and development opportunities.
